

Web/System Development Proposal

To:	Lungisani Mavundla
Date:	02-October-2017
For:	Web Development Services: Plan, design, and produce from scratch online information systems for Lungisani Mavundla for the purpose of Data management and Student information capture and finance statements for the organization.
Images:	Images supplied by you(Lungisani Mavundla), as desired and appropriate, will be incorporated. Professional stock images may be used; if these carry a cost, your approval will be sought first.
Design/Code:	Site will have attractive visual design, created with your feedback and to your satisfaction, and be easily navigable and usable. Code will be W3C-standard HTML and CSS, and pages will be designed to display well on all major browsers at all common monitor resolutions.
Usability:	Simplicity, cleanness of visual design, and ease of operation for the end-user will be high-priority considerations at each stage of the design process.
Web Hosting:	Information system can be: <ul style="list-style-type: none">• Self-hosted [The client with their own hosting means by which we require the logon details to deploy the website to.]• Hosting by us [Full package which the company will be providing you with the link (recommended) with all your needs satisfied from R1000.00 once-off and R500.00 p.a.
Testing:	Information System will be tested for compatibility with all common operating systems, browsers and monitor resolutions according to standard company policy.
Site Statistics:	Detailed site statistics are provided by the web host, and will be easily accessible to you on request.
Costs:	<i>Information Systems Development fee:</i> from – R4500. This figure is an estimate, not a quote. It is based on the information provided, and may be

inappropriate if additional information is forthcoming, or specifications change.

Web hosting fee (a separate charge) will be R1000.00 once off and R500 p.a. year a year after i.e. 02/10/2019 (R500.00 deposit is expected) .

Going forward, [Company] will continue to be invoiced for web hosting charges once a year by Ndu-Systems.net.

Payment Terms: One-third of total Information system Development fee invoiced and due before work begins. A second one-third as well as the web hosting charge invoiced when system design is completed. Balance, adjusted for any changes, invoiced upon delivery of working application. All invoices are Net 10 Days.

Change Orders: The addition of pages or significant functions or features not specified here may result in additional costs; Ndu-systems.net will make this clear via Change Orders.

Contract: A standard Agreement and Specification will be provided upon verbal acceptance of this estimate.

This estimate is good for 7 days from the date above.

Schedule: Work will begin within one week of signing of contract and receipt of deposit payment. Approximately 2 weeks will be required from start to finish, assuming that the processes of providing content, feedback, and approval are free from delays.
